

# Underwrite our Annual **10 GRAND PIANOS** Show!

*Our wildly popular 10-piano shows have drawn attention from the Miami Herald, Telemundo, WPBT-2, the Sun-Sentinel, and others. 10 pianos playing simultaneously, tiered on the stage of the New World Center in Miami Beach with stunning imagery projected, complemented by a custom lighting design, draws hundreds of enthusiastic audience members each year. This year's theme is MIAMI GRANDS, an original work written for Miami Piano Circle by Michael Torke, musically presenting different geographical areas and pastimes of Miami at different times of the day and night, progressing from the first movement 'Key Biscayne at Dawn' to the last, 'Everglades: Under the Stars.'*
